I still have several roles such as the Watch, the Sexton, Messengers, Party-goers (Dancers) and Musicians to cast. These roles will be posted before the end of the semester. Sorry for the delay but we must sort out music before I can make these commitments

I intend to start table-work a few days before classes begin (January 23). Please initial next to your name AFTER you have picked up a syllabus from Angela and read the requirements for the class. You MUST register for DRAM 056, which is a .00 credit hour course. I will honor any conflicts listed on your conflict sheet. If you have any questions or concerns email me immediately.

I will be calling a full cast meeting on one of the snow study days so if you have any conflicts on those days, please email me ASAP. Reference scripts are available in the office, however we will be sending you a final script with approved punctuation and cuts via email during break.

This was an extremely challenging process. Thanks to all who auditioned.
